CASES TO BE CONSIDERED NEXT TERM (2003-2004):

Cline v. General Dynamics Land Sys., Inc., 296 F. 3d 466 (6th Cir. 2002), cert. granted, 123 S. Ct. 1786 (2003), question of statutory interpretation of the ADEA: Can an employer discriminate against one class of protected employee when giving preferential benefits to an older class of employees also protected by the ADEA. Appellate Court used the EEOC interpretation of the statute, plain language, and held that an employer cannot offer benefits to employees over 50 and not to those aged 40-49?

Comments:

Jones v. R.R. Donnelley & Sons, 305 F.3d 717 (7th Cir. 2002), 2002 U.S. App. Lexis 18842, cert. granted, 123 S. Ct. 2074 (2003). Question presented for review: does the four-year “catch-all” limitations period of 28 U.S.C. §1658 apply to new causes of action created by public law 102-166, 105 Stat. 1071, the Civil Rights Act of 1991, which were codified at 42 U.S.C. §1981(a) and (b)?

Comments:

Tennessee v. Lane 315 F. 3d 680 (6th Cir. 2003), cert. granted, 123 S. Ct. 2622, 2003 U.S. Lexis 4818 (2003)- Question presented: Does Title II of ADA exceed Congress's authority under Section of 14th Amendment, thereby failing validly to abrogate states' 11th Amendment immunity from private damage claims?

Comments:

Frew v. Hawkins, 300 F. 3d 530 (5th Cir. 2002), cert. granted, 123 S. Ct. 1481 (2003), does a state waive its 11th Amendment sovereign immunity when it urges the federal courts to issue a decree and supervise the state official's ongoing compliance with that decree?

Comments:

Raytheon Co. v. Hernandez (Hernandez v. Hughes Missile Systems Co.), 298 F. 3d 1030 (9th Cir. 2002), cert. granted, 123 S. Ct. 1255 (2003), can an employee who was legally terminated for misconduct obtain preferential rehire status under the Americans with Disabilities Act?

Comments:
